

Trimuvirate Erhellung

cravat

a scarf or band of cloth worn around the neck

Then, my brothers, we had these off-white cravats which looked like whipped-up kartoffel or spud with a sort of a design made on it with a fork.

dollop

a soft lump or portion of something, especially food

They kept looking our way and I nearly felt like saying the three of us (out of the corner of my rot, that is) should go off for a bit of pol and leave poor old Dim behind, because it would be just a matter of kupetting Dim a demi-litre of white but this time with a dollop of synthemesc in it, but that wouldn't really have been playing like the game.

sap

deplete

That sort of thing could sap all the strength and the goodness out of a chelloveck.
