

## Respect me

### Respect me

You can't hold me like a wild cat in a cage.  
You can't control me. I'm not a puppet for your rage.  
You can't follow me to everywhere I go,  
cause there are places, I'm not allowed to show. (x2)

*You can't steal my heart and take it away.  
I'm a feeling creature. I am afraid,  
with many fears. So, please don't break me  
by going away. Please stay. (x2)*

You can't tell me lies by smiling in my face.  
You can't cheat on me if you don't wanna be betrayed.  
You can't earn my trust with money and with sex.  
I'm not susceptible to bribery and checks. (x2)

*You can't treat me as if I were not worth enough.  
I'm worth it.  
I'm, I'm worth it.*

You can't treat me like that  
or I'll be the one who will go away  
with your broken heart in my hands.

If you really like me  
If you really love me

THEN, TREAT ME WITH RESPECT
