

Broken heart

Hallo erstmal!:(

Nachdem ich mich gestern im check-in vorgestellt habe, werde ich nun mein erstes Gedicht hier veröffentlichen. Ich hoffe es ist nicht gegen die Regeln, dass es ein englisches Gedicht ist, falls doch bitte ich um Verzeihung.

Außerdem bitte ich um ehrliche Meinungen und/oder Kritik:(

Broken hearts

Alone in the darkness

No,

not alone at all.

She sits in the left corner.

Crying.

Though,

I feel lonely.

Falling down a deep hole.

A dark hole.

Where do broken hearts go?

Now I know where.

Doesn't matter.

Nothing matters.

I should help her.

I can't help her.

She should help me.

She can't help me.

Where do broken hearts go?

I know where.

Does it matter?

The darkness took control over me.

Or did I take control over the darkness?

No I didn't.

I am weak.

Where do broken hearts go?

Do i know where?

It matters.

Who is that girl?

A broken heart.

Right place.

Broken heart

Where do broken hearts go?
Where do broken hearts go?

I know the girl.
A part if my heart does.
Broken part.

Where do broken hearts go?
To this place.

Who is that girl?
My heart.
My broken heart
