

FOR LOVE TIME DOES NOT COUNT

Achtung vorweg: Bitte nicht lesen, wenn ihr Pfarrer seid. Mit denen habe ich stets Streit bis wir uns gegenseitig ins Feuer wünschen.

FOR LOVE TIME DOES NOT COUNT

I am love and I am light.
I am wonderful even at night.
But do you still remember me?
Do I still have a hearty key?

Why is your door locked to me?
I don't understand your philosophy.
But in unawareness there is no point.
I might as well lie down.

If you run away, you can't escape.
The bill with you has a tank tape.
How should I let you go?
Because I'm part of the show...

And so another year passes
behind invisible glasses...
But for love time does not count.
I'm not interested in a hunt.
